

At Fellows, we run two types of auctions, a 'Live' auction and a 'Timed' auction. The 'Live' auction is a traditional style auction where you can bid in the room, over the telephone, or on our own bidding platform 'Fellows Live'.

Each auction has quite a different set of bidding increments and it would be extremely beneficial to make yourself aware of these increments before bidding. Here are the increments for a Fellows Live auction:

<u>From</u>	<u>To</u>	<u>Increment</u>
£0	£50	£2
£50	£100	£5
£100	£200	£10
£200	£1,000	£20
