It is with great pleasure that we at Fellows welcome you to our final Vintage & Modern Wrist Watches sale of 2014! It has been an incredible year for high quality and interesting timepieces, and this sale carries on this trend.

Complex watches are feature; for example Cartier provides us with a Pasha de Cartier GMT (lot 49) with second time zone and power reserve indicator. While Patek Philippe shows us with elegance and timeless simplicity with a delicate lady's Calatrava (lot 172). Our cover watch (lot 78) is a wonderful piece from the Master of Complications, Franck Muller. Set in platinum is a complex automatic movement complete with moon phase indication, chronograph, perpetual calendar and equation of time.

Talking of chronographs, we have a great selection of these sought after complicated pieces. This sale has a variety of items for everyone's taste in aesthetics and period. There are examples of modern items from the iconic Rolex Daytona (lots 221 and 252 for example) to avant-garde pieces from Graham (lots 85 and 86) via offerings from brands such as Breitling, Cartier and Tag Heuer (lots 24, 47 and 256). On the vintage side we have a Breitling Navitimer Chrono-Matic (lot 34), a Heuer Autavia 'Great White' (lot 93), a Longines Conquest (lot 106) and lovely Omega pieces such as a De Ville chronograph and a Flightmaster (lots 156 and 161). Not to be outdone, Lemania is represented with a lovely single button chronograph in our military section (lot 314).

For those wishing to 'make a statement' with their wrist wear, we have an Audemars Piguet Royal Oak 'Bumblebee' (lot 4), a Bell & Ross BR 01-92 Heritage (lot 19) and an IWC Big Ingenieur Seven Day (lot 96). On the opposite scale, we have simple and stylish pieces from Nomos (lot 114) and IWC (lot 99). From a retro standpoint, we have a fantastic selection of vintage Universal Geneve pieces and Tudor watches.

Even though we could go on about the lots in this sale, we will leave you to browse through the catalogue and discover them for yourself. As ever, we hope you enjoy the selection and look forwards to seeing you at the sale!

A contender for 'Most dangerous underwater job' has to be that of the Royal Navy Clearance Diver. The British Navy is one of only three in the world to employ these 'Human Minesweepers', highly trained individuals whose initial role was to clear sea-lanes to allow landing craft to approach enemy beaches safely. If underwater bomb disposal isn't enough, these divers are used in military salvage operations, retrieving bodies, equipment and ordnance as well as a multitude of other hazardous operations.

In 2013 a limited edition of 50 watches was created to celebrate 60 years of the unit. £18,000-26,000

In 1954 the airline SAS were the first to fly the route from Europe to California via the North Pole. This cut a thousand kilometres off the previous journey but required the pilots to deal with the strong magnetic fields of the Polar Regions. Universal supplied the pilots with anti-magnetic watches during their training and in 1954 launched the Polarouter to celebrate this achievement. The name quickly changed to Polerouter and the bumper automatic movement was replaced with the now famous 'micro-rotor'. £300-500

Retailer dialled watches show both the name of the maker and the shop that sold the watch. In this case it could be confusing as J W Benson was a watchmaker in its own right from 1847 onwards, winning numerous awards and accolades. Unfortunately, bomb damage during WWI brought the manufacture of watches to an end and from this point onwards they were retailers only, either under their own name or of other brands such as this Universal. £120-180

Loss or liability for damage will be charged at a rate of 1.5% (plus VAT) calculated on the hammer price. A Marketing fee of £10 (plus VAT) will be charged for each Lot, if unsold we will charge a nominal handling fee of £5 (plus VAT). All items below £35 are subject to a minimum fee of £5 (plus VAT) per Lot.
- 4.7 Fellows will pay the Hammer Price achieved for the Lot (less its commission and applicable fees in accordance with clauses 4.6, 9.2 and 9.3), to the Vendor on receipt of payment of the Total Amount Due in full by the Buyer.
- 4.8 The Vendor authorises Fellows in their discretion to negotiate a sale by private treaty in the case of a Lot unsold at Auction, in which case the same charges will be payable as if the Lot had been sold at Auction.
- 4.9 Fellows do not themselves undertake the collection of any items but may, as the Vendor's agent, instruct a contractor on behalf of the Vendor. Fellows accepts no liability for the actions of such contractor who contracts with the Vendor direct.
- 4.10 Fellows disclaims all liability for items delivered to their saleroom without sufficient sale instructions, and reserves the right to make a minimum warehousing charge of [£1.00] per item per day. Unsold items are subject to the same charges if the Vendor does not remove them within a reasonable time of notification. If not removed within three weeks Fellows reserves the right to sell the items and defray charges from any net proceeds of sale or at the Vendor's expense to consign them to the local authority for disposal. Fellows disclaims any liability for default by the Buyer or for paying out the Vendor before receiving payment by the Buyer.
- 4.11 Subject to clause 4.9, Fellows holds all items on their premises and in their custody covered against the risks of fire, burglary and water damage on the scale of charges notified in the terms of consignment and payable by the Vendor up to the date of any sale and (in Fellows' discretion) the Buyer thereafter until collection.
- 4.12 The right of Fellows to bid on behalf of the Vendor is expressly reserved. The Vendor acknowledges that Lots are sold subject to the stipulations of these Conditions in their entirety and on the Terms of Consignment as notified to consignors at the time of the entry of the Lot.
- 4.13 The Auctioneer reserves the right to dispose of any item that in their opinion is unsaleable. Items, including electrical goods and soft furnishings, which do not comply with current legislation will not be offered at Auction.
- 4.14 Any items unsold after an Auction will be reoffered in a subsequent Auction at a reduced reserve to be agreed within seven days. The Auctioneer may request the removal of an item if a reduced price cannot be agreed; items not removed within 14 days will be subject to a storage charge.
- 4.15 A charge of 10% (plus VAT) based on the middle estimate – plus any other charges incurred – may be levied for any Lot withdrawn by the Vendor from offer at an Auction. If the item has to be returned by post (or any other method) the Vendor will be responsible for this charge. These charges are to be paid before the item is returned.
- 4.16 By submitting the item to Fellows for offer at Auction, the Vendor agrees to the Terms of Consignment and authorises Fellows to deduct the specified charges.
- 5. PUBLICITY**
- 5.1 Any catalogue and buyer guides are provided for information only and do not form part of these Conditions. The catalogue and the buyer guides may contain additional terms and conditions.
- 5.2 Fellows reserve the right to use any photographs, background information, and research for publicity purposes both before and after the sale.
