IMPORTANT NOTICES FOR PURCHASERS

Due to opening of case backs or possible deterioration of seals, we recommend that watches are re-sealed by an authorised technician to ensure any stated water resistance is retained.

Whilst Fellows makes every attempt to identify and disclose any custom attributes where possible, the absence of any disclosure is not a guarantee of authenticity, Fellows accepts no liability if an item is later found to be with non-brand alterations. Neither is it always possible to authenticate every component, this includes individual external and movement parts, watch glasses, hands, straps and buckles, this is often due to items having been previously maintained outside of authorised workshops, Fellows are therefore unable to accept any liability if any component or part is later found to be with issue – this includes compatible yet non-original brand parts and/or numbering that may limit maintenance options through workshops in the future.

Item may have export restrictions for customers outside of the EU.

Importation of Watches into the US

Bidders should be aware that the import of Rolex watches to the US is restricted. Watches (not limited to Rolex) may not be shipped to the USA and import must be undertaken personally. Generally only one watch may be imported in this manner at any one time. It is the responsibility of the prospective buyer to identify and comply with any restrictions.

Please contact our department specialist for further information.

Export of Watches, Accessories and Parts containing materials from Endangered Species:

Many of the articles offered in this sale have components, or are parts which may contain material(s) derived from endangered or protected animal materials e.g. alligator, crocodile skin and as such are prohibited by law to be exported by Fellows without a CITES permit. Fellows are therefore required to remove any restricted strap prior to delivery of the watch and buckle/clasp, and are unable to ship from their offices any other restricted part. It is the responsibility of the prospective buyer to understand and comply with any restrictions.

Please contact our department specialist for further information.

Fellows routinely provide a number of viewing days to enable any prospective bidder, the opportunity to view and inspect any item prior to sale. It is assumed that any buyer who has viewed an item is able to make an informed decision and was sufficiently satisfied to bid. Neither Fellows nor its employees, agents or Vendors may accept liability for the correctness of such opinions, and all conditions and warranties, express, implied or statutory are hereby excluded.

Fellows shall have no obligations with respect to such material. Fellows and its designees shall be free to copy, disclose, distribute, incorporate and otherwise use such material and all data, images, sounds, text and other things embodied therein for any and all commercial or non-commercial purposes.

4. THE VENDOR

- 4.1 Fellows shall act as agent of the Vendor only. Any contract for the sale of a Lot will be formed between the Vendor and the Buyer.
- 4.2 The Vendor warrants and represents to Fellows and the Buyer that the Vendor is the sole and true owner of the Consigned Property or is properly authorised by the sole and true owner to consign it for sale and is able to transfer good and marketable title to the property free from any third party claims. The Vendor warrants and representatives that the Vendor has revealed all pertinent information that the Vendor possesses about the items, including in relation to any repairs or alterations that may have been carried out. The Vendor shall indemnify Fellows and the Buyer against any loss and expense caused by any breach of this clause 4.2.
- 4.3 The Vendor shall be entitled to place prior to the Auction a reserve on any Lot, being the minimum Hammer Price at which Lot may be sold. Reserves must be reasonable and Fellows may decline to offer goods which in Fellows' opinion would be subject to an unreasonably high reserve (in which case goods carry the storage and insurance charges stipulated in the terms of consignment). Reserves will not be accepted on items with a bottom estimate less than £100. The Auctioneer also reserves the right not to accept items which they deem to be unsuitable for Auction. Any estimate given shall be an opinion and is not an undertaking of any kind.
- 4.4 A reserve once set cannot be changed except with the written prior consent of Fellows.
- 4.5 Where a reserve has been placed only Fellows may bid on behalf of the Vendor.
- 4.6 The Vendor authorises Fellows to deduct commission from any sold items at a rate of 15% (plus VAT) on any item with a hammer price of £3,000 (or under) or 12.5% (plus VAT) on items over £3,000. Loss or liability for damage will be charged at a rate of 1.5% (plus VAT) calculated on the hammer price. A Marketing fee of £10 (plus VAT) will be charged for each Lot, if unsold we will charge a nominal handling fee of £5 (plus VAT). All items below £35 are subject to a minimum fee of £5 (plus VAT) per Lot.
- 4.7 Fellows will pay the Hammer Price achieved for the Lot (less its commission and applicable fees in accordance with clauses 4.6, 9.2 and 9.3), to the Vendor on receipt of payment of the Total Amount Due in full by the Buyer.
- 4.8 The Vendor authorises Fellows in their discretion to negotiate a sale by private treaty in the case of a Lot unsold at Auction, in which case the same charges will be payable as if the Lot had been sold at Auction.
- 4.9 Fellows do not themselves undertake the collection of any items but may, as the Vendor's agent, instruct a contractor on behalf of the Vendor.

Fellows accepts no liability for the actions of such contractor who contracts with the Vendor direct.

Unsold items are subject to the same charges if the Vendor does not remove them within a reasonable time of notification. If not removed within three weeks Fellows reserves the right to sell the items and defray charges from any net proceeds of sale or at the Vendor's expense to consign them to the local authority for disposal. Fellows disclaims any liability for default by the Buyer or for paying out the Vendor before receiving payment by the Buyer.
- 4.11 Subject to clause 4.9, Fellows holds all items on their premises and in their custody covered against the risks of fire, burglary and water damage on the scale of charges notified in the terms of consignment and payable by the Vendor up to the date of any sale and (in Fellows' discretion) the Buyer thereafter until collection.
- 4.12 The right of Fellows to bid on behalf of the Vendor is expressly reserved. The Vendor acknowledges that Lots are sold subject to the stipulations of these Conditions in their entirety and on the Terms of Consignment as notified to consignors at the time of the entry of the Lot.
- 4.13 The Auctioneer reserves the right to dispose of any item that in their opinion is unsaleable. Items, including electrical goods and soft furnishings, which do not comply with current legislation will not be offered at Auction.

- 4.15 A charge of 10% (plus VAT) based on the middle estimate – plus any other charges incurred – may be levied for any Lot withdrawn by the Vendor from offer at an Auction. If the item has to be returned by post (or any other method) the Vendor will be responsible for this charge. These charges are to be paid before the item is returned.
- 4.16 By submitting the item to Fellows for offer at Auction, the Vendor agrees to the Terms of Consignment and authorises Fellows to deduct the specified charges.
