Welcome to our first Coins & Medal auction of 2015. With over 400 lots, this sale features one of our largest selections of Gold Sovereigns and Half-Sovereigns, particularly those of the Victorian era.

There are several notable items in our military section, including Lot 392; this WWII Royal Air Force group of five medals awarded to 154681 Flying Officer John Trevor Lambourne, offers a rare and thought-provoking insight into World War II; particularly as the lot includes the Flying Log Book which documents Lambourne's training and involvement in the Bombing in Dresden on the 13th February 1945. We also have three Gallantry Military Medal Groups within this section of the sale - Lot 366, 367 and 368.

From the medals section, we are delighted to offer Lot 404. This Baronet's Badge in gold and enamel, engraved to the reverse 'Worthington-Evans of Colchester 1916'. The baronet's badge takes precedence over all Orders worn around the neck with the exception of the Order of Merit. Sir Worthington Laming Worthington-Evans, 1st Baronet GBE, PC, was a Conservative politician, serving under David Lloyd George's coalition and Stanley Baldwin governments.

Highlights from our token section include: Lot 340, a Convict Love Token from 1826. Although perhaps not the most valuable of lots it provides us with a rare piece of social history, as the erased Penny Flan is stipple engraved with a message from the convict to his loved one: - "Dear Mary think on me for I am many a mile from thee".

Finally, for those with an interest in the renowned gold and silversmith Stuart Devlin may we draw your attention to Lot 356. This cased set of six gold medals of the Prime Ministers of Great Britain by Gerald Benney and Stuart Devlin, is typical of the commemorative medallions Devlin was commissioned to design for countries throughout the world, including Singapore, Malaysia and the Cayman Islands.

If you would like more details of any of these lots please visit [www.fellows.co.uk](http://www.fellows.co.uk) or contact us directly and we will be happy to help. We would also like to invite consignments for our next specialist sale of Coins & Medals taking place on Thursday 30th July.

The Royal Canadian Air Force Flying Log Book documents Lambourne's training commencing in July 1943 with the No. 8 Bombing and Gunnery School, Alberta Canada. The log book lists Lambourne's missions with No. 166 Squadron from November 1944 and includes; Dresden February 13th 1945, Chemnitz February 14th 1945, Nordhausen April 3rd 1945 and Nurnberg (Nuremberg) January 2nd 1945 in which Lambourne records being 'attacked by an ME 410 and wounded in leg'. Copies of the Operation Record Book confirm that Lambourne was admitted to Grimsby & District General Hospital having received a gun-shot to the right ankle. It is believed that the mission flown by F/O Thompson and crew was twice attacked and the Air Bomber (Lambourne) sustained a bullet wound in the leg, after himself removing the bullet he continued with the attack and the Mid-Upper Gunner claimed an ME 410 as destroyed. The log book confirms Lambourne returned to service on the 26th of January 1945. The last mission listed is for Lutzendorf on the 4th April 1945 and summarises 34 operations for No. 166 Squadron, as Air Bomber and predominantly in a Lancaster. # IMPORTANT NOTICES FOR PURCHASERS

## IMPORTANT NOTICE TO PROSPECTIVE BUYERS OF GEMSTONES/JEWELS

Purchasers are advised that whilst great care has been taken in the examination of gemstones, it is not possible to test every gemstone in multi-gemstone lots.

### Notes 1 – Coloured Gemstones

Historically, many coloured gemstones have been subjected to a variety of treatments designed to enhance their appearance. Certain enhancement methods, such as heating, are routinely used to improve colour or transparency in rubies and sapphires. Other methods, such as oiling, enhance the clarity of emeralds. The international jewellery trade has generally accepted these methods. Other coloured gemstones may have undergone other permanent or semi-permanent treatments, such as dyeing, irradiation, coating and impregnation, possibly requiring further re-treatment in order to retain their appearance.

Prospective purchasers should assume that all gemstones will have been treated unless statements are made to the contrary. Gemmological reports from internationally recognised Gemmological Laboratories will be noted in the item description where available.

### Note 2 – Diamonds

Recent advancements in technology have led to some diamonds being treated in a number of ways, all designed to improve their appearance or alter colour. These processes include fracture filling, laser drilling, a combination of drilling and filling, HPHT, irradiation and various coatings. Buyers are also alerted to the fact that synthetic (laboratory created) diamonds, notably in small (melee) sizes are now produced in large quantities. Whilst every effort is made to identify or disclose treated and synthetic goods, it is not possible for Fellows to guarantee that all diamond set lots do not contain such material.

Fellows do not knowingly offer treated diamonds for sale, unless a gemmological report disclosing the type of treatment has been obtained from an internationally recognised Gemmological Laboratory, and stated within the item description. Diamond grades for colour and clarity (see separate Notes on Diamond Grading terms) where printed in the catalogues are intended as guides for prospective purchasers, with the given limitations of mounts and settings, and are not guaranteed by Fellows.

Statements in the catalogue regarding the condition of lots in this sale may appear in the description, however, the absence of such a reference does not imply that a lot is in a perfect or near perfect condition, or completely free from wear or imperfections. Fellows will be pleased to offer Condition Reports to interested clients for lots with estimates of £100 or more.

#### 4. THE VENDOR

- 4.1 Fellows shall act as agent of the Vendor only. Any contract for the sale of a Lot will be formed between the Vendor and the Buyer.
- 4.2 The Vendor warrants and represents to Fellows and the Buyer that the Vendor is the sole and true owner of the Consigned Property or is properly authorised by the sole and true owner to consign it for sale and is able to transfer good and marketable title to the property free from any third party claims. The Vendor warrants and representatives that the Vendor has revealed all pertinent information that the Vendor possesses about the items, including in relation to any repairs or alterations that may have been carried out. The Vendor shall indemnify Fellows and the Buyer against any loss and expense caused by any breach of this clause 4.2.
- 4.3 The Vendor shall be entitled to place prior to the Auction a reserve on any Lot, being the minimum Hammer Price at which Lot may be sold. Reserves must be reasonable and Fellows may decline to offer goods which in Fellows' opinion would be subject to an unreasonably high reserve (in which case goods carry the storage and insurance charges stipulated in the terms of consignment). Reserves will not be accepted on items with a bottom estimate less than £100. The Auctioneer also reserves the right not to accept items which they deem to be unsuitable for Auction. Any estimate given shall be an opinion and is not an undertaking of any kind.
- 4.4 A reserve once set cannot be changed except with the written prior consent of Fellows.
- 4.5 Where a reserve has been placed only Fellows may bid on behalf of the Vendor.
- 4.6 The Vendor authorises Fellows to deduct commission from any sold items at a rate of 15% (plus VAT) on any item with a hammer price of £3,000 (or under) or 12.5% (plus VAT) on items over £3,000. Loss or liability for damage will be charged at a rate of 1.5% (plus VAT) calculated on the hammer price. A Marketing fee of £10 (plus VAT) will be charged for each Lot, if unsold we will charge a nominal handling fee of £5 (plus VAT). All items below £35 are subject to a minimum fee of £5 (plus VAT) per Lot.
- 4.7 Fellows will pay the Hammer Price achieved for the Lot (less its commission and applicable fees in accordance with clauses 4.6, 9.2 and 9.3), to the Vendor on receipt of payment of the Total Amount Due in full by the Buyer.
- 4.8 The Vendor authorises Fellows in their discretion to negotiate a sale by private treaty in the case of a Lot unsold at Auction, in which case the same charges will be payable as if the Lot had been sold at Auction.
- 4.9 Fellows do not themselves undertake the collection of any items but may, as the Vendor's agent, instruct a contractor on behalf of the Vendor.

Fellows accepts no liability for the actions of such contractor who contracts with the Vendor direct.

- 4.10 Fellows disclaims all liability for items delivered to their saleroom without sufficient sale instructions, and reserves the right to make a minimum warehousing charge of [£1.00] per item per day. Unsold items are subject to the same charges if the Vendor does not remove them within a reasonable time of notification. If not removed within three weeks Fellows reserves the right to sell the items and defray charges from any net proceeds of sale or at the Vendor's expense to consign them to the local authority for disposal. Fellows disclaims any liability for default by the Buyer or for paying out the Vendor before receiving payment by the Buyer.
- 4.11 Subject to clause 4.9, Fellows holds all items on their premises and in their custody covered against the risks of fire, burglary and water damage on the scale of charges notified in the terms of consignment and payable by the Vendor up to the date of any sale and (in Fellows' discretion) the Buyer thereafter until collection.
- 4.12 The right of Fellows to bid on behalf of the Vendor is expressly reserved. The Vendor acknowledges that Lots are sold subject to the stipulations of these Conditions in their entirety and on the Terms of Consignment as notified to consignors at the time of the entry of the Lot.
- 4.13 The Auctioneer reserves the right to dispose of any item that in their opinion is unsaleable. Items, including electrical goods and soft furnishings, which do not comply with current legislation will not be offered at Auction.
- 4.14 Any items unsold after an Auction will be reoffered in a subsequent Auction at a reduced reserve to be agreed within seven days. The Auctioneer may request the removal of an item if a reduced price cannot be agreed; items not removed within 14 days will be subject to a storage charge.
- 4.15 A charge of 10% (plus VAT) based on the middle estimate – plus any other charges incurred – may be levied for any Lot withdrawn by the Vendor from offer at an Auction. If the item has to be returned by post (or any other method) the Vendor will be responsible for this charge. These charges are to be paid before the item is returned.
- 4.16 By submitting the item to Fellows for offer at Auction, the Vendor agrees to the Terms of Consignment and authorises Fellows to deduct the specified charges.

#### 5. PUBLICITY

- 5.1 Any catalogue and buyer guides are provided for information only and do not form part of these Conditions. The catalogue and the buyer guides may contain additional terms and conditions.
- 5.2 Fellows reserve the right to use any photographs, background information, and research for publicity purposes both before and after the sale.

#### 6. THE AUCTION

- 6.1 Any Auction shall be conducted at the absolute discretion of the Auctioneer.
- 6.2 The Auctioneer shall conduct the Auction with reasonable skill and care. For example, what

constitutes a bid shall be at the absolute discretion of the Auctioneer, acting with reasonable skill and care.

- 6.3 The Auctioneer shall have the right to refuse any bid which does not exceed the previous bid by at least 10% or by such greater proportion as the Auctioneer shall in his or her absolute discretion direct.
- 6.4 Where two or more bids at the same level are simultaneously received by the Auctioneer, the Auctioneer at his absolute discretion shall determine which bid to prefer. Subject to the foregoing, where two or more bids at the same level are simultaneously received by the Auctioneer, any bid by a Bidder personally present at an Auction shall take preference over any bid submitted by telephone or over the internet. Any bid made or attempted by telephone or over the internet shall be deemed to have been made only if received by the Auctioneer.
- 6.5 Fellows shall have the right, at its absolute discretion, to refuse admission to its premises or attendance at (or participation in) any Auction by any person.

## 7. **BIDDERS**

- 7.1 Bidders may be required to register their particulars. Bidders attending in person may be required to satisfy Fellows' security arrangements before entering any part of the premises to view or bid.
- 7.2 You accept full liability for all bids submitted via your My Fellows account.

Once a bid has been made by a Bidder on our website, the bid can be lowered or increased up until 9am on the day of the auction. You must sign into your My Fellows account to do this and you will receive an email confirmation for any changes made.

Should a bid be placed in error on the website you must contact Fellows immediately. Failure to contact Fellows before the auction takes place will result in liability for the full payment of the item.

- 7.3 Subject to clause 6.3, the highest Bidder at the Hammer Price shall be the Buyer. Any dispute about a bid shall be settled at the Auctioneer's absolute discretion.
- 7.4 Bidders are deemed to act as principals unless there is a written prior acknowledgement by Fellows that a Bidder is acting as an agent for a named principal.
- 7.5 Bidders are strongly encouraged to attend the Auction in person. Bidders shall be responsible for any decision to bid for a particular Lot and shall be deemed to have carefully inspected and satisfied themselves as to its condition. Neither Fellows nor its employees or agents shall be responsible for any neglect or default in doing or failing to do so.
- 7.6 Bidders are given ample opportunities to view and inspect before any sale and prospective Buyers must satisfy themselves as to all such matters. Neither Fellows or its employees or agents nor the Vendor accept liability for the correctness of such opinions and all conditions and warranties, express, implied or statutory are hereby excluded.

## 8. **THE BUYER**

- 8.3 Cheques shall not be acceptable by Fellows (unless Fellows in its absolute discretion permits payment by such method) nor are third party references or credit facilities with other Auction houses. If a cheque is tendered Fellows reserves the right to instruct its bank to check the Buyer's status and account balance before exercising any discretion. Any credit arrangement must be settled at least 4 days before the relevant sale. Any permitted payment by credit card shall carry an extra charge to the Buyer of such percentage of the Total Amount Due as is displayed on the premises.

- 8.4 Any payments by a Buyer to Fellows may be applied by Fellows towards any sums owing from that Buyer to Fellows on any account whatever without regard to any directions of the Buyer or his agent, whether express or implied.

## 9. **THE PURCHASE PRICE**

- 9.1 On the first £50,000 of the Hammer Price (of any Lot) the Buyer will pay the Hammer Price and a premium of 20% (plus VAT on the total of the Hammer Price and the premium). Value Added Tax is charged at the rate prevailing by law at the date of sale
- 9.2 On the excess over £50,000 of the Hammer Price (of any individual Lot), the Buyer will pay the Hammer Price and a premium of 10% (plus VAT). The said premium not being negotiable and payable by ALL Buyers. The Vendor authorises Fellows to retain beneficially the premium payable by Buyers.

  - (a) to proceed against the Buyer for an action for debt or

damages for breach of contract;

- (b) to rescind the sale of that Lot and/or any other Lots sold by Fellows to the defaulting Buyer;

- (d) to remove, store and insure the Lot at the expense of the defaulting Buyer and, in the case of storage, either at Fellows' premises or elsewhere;
- (e) to charge interest at a rate not exceeding [1.5%] per month on the total amount due to the extent it remains unpaid for more than 2 working days after the sale;

Neither Fellows or its employees or agents nor the Vendor accept liability for the correctness of such opinions and all conditions and warranties, express, implied or statutory are hereby excluded.
- 12.2 Any Lot which proves to be a Deliberate Forgery may be returned to Fellows by the Buyer within 21 days of the Auction provided it is in the same condition as when bought, and is accompanied by particulars identifying it from the relevant catalogue description and a written statement of defects. If Fellows is satisfied from the evidence presented that the Lot is a Deliberate Forgery Fellows shall refund the money paid by the Buyer for the Lot (but not the amount of any consequential loss, damages, expenses or interest) provided that (1) if the catalogue description reflected the accepted view of scholars and experts as at the date of sale or (2) the Buyer personally is not able to transfer a good and marketable title to Fellows.
