

IMPORTANT NOTICES FOR PURCHASERS

Due to opening of case backs or possible deterioration of seals, we recommend that watches are re-sealed by an authorised technician to ensure any stated water resistance is retained.

Whilst Fellows makes every attempt to identify and disclose any custom attributes where possible, the absence of any disclosure is not a guarantee of authenticity, Fellows accepts no liability if an item is later found to be with non-brand alterations. Neither is it always possible to authenticate every component, this includes individual external and movement parts, watch glasses, hands, straps and buckles, this is often due to items having been previously maintained outside of authorised workshops, Fellows are therefore unable to accept any liability if any component or part is later found to be with issue – this includes compatible yet non-original brand parts and/or numbering that may limit maintenance options through workshops in the future.

Item may have export restrictions for customers outside of the EU.

Importation of Watches into the US

Bidders should be aware that the import of Rolex watches to the US is restricted. Watches (not limited to Rolex) may not be shipped to the USA and import must be undertaken personally. Generally only one watch may be imported in this manner at any one time. It is the responsibility of the prospective buyer to identify and comply with any restrictions.

Please contact our department specialist for further information.

Export of Watches, Accessories and Parts containing materials from Endangered Species:

Many of the articles offered in this sale have components, or are parts which may contain material(s) derived from endangered or protected animal materials e.g. alligator, crocodile skin and as such are prohibited by law to be exported by Fellows without a CITES permit. Fellows are therefore required to remove any restricted strap prior to delivery of the watch and buckle/ clasp, and are unable to ship from their offices any other restricted part. It is the responsibility of the prospective buyer to understand and comply with any restrictions.
