Catalogue Foreword

I am delighted that Fellows is able to bring you this catalogue.

Peter Hayman has a distinct reputation amongst his contemporaries in the watch world as well as his loyal customers. Peter's unwavering commitment to excellence and the exacting standards he upheld are abundantly evident in the timepieces assembled for this single-owner auction - The Peter Hayman Retirement Watch Collection.

For over three decades, Peter has been serving a discerning watch-collecting audience through both online platforms and his renowned shop, Parkers Jewellers, in Sheffield. His dedication to horology has not only attracted a devoted following of over 40,000 patrons but has also garnered recognition from luxury retailers, including Harrods, Harvey Nichols, Selfridges, and the Conran shop. They too have come to appreciate the high quality and unassailable reputation that Peter and his offerings represent.

At Fellows, we have had the privilege of working with Peter for the last 25 years. As a valued client of ours, we are delighted to be able to offer for sale his collection. Part 1 of the auction series will be conducted as a live, in-person auction. It features a curated assortment of wristwatches distinguished by their quality. Many of these lots are to be sold complete with service histories, original packaging, and accompanying documentation.

In anticipation of our October Watches & Watch Accessories auction, we are preparing to unveil Part 2 of this unique offering. Part 2 comprises a selection of items from the repairs side of Peter's business, including Rolex watch heads. These lots will undoubtedly appeal to both aspiring and seasoned horologists, providing them access to components and accessories for horological projects.

I would like to express my gratitude to Peter and the Hayman family for entrusting Fellows with the culmination of this significant chapter in Peter's much respected career.

IMPORTANT NOTICES FOR PURCHASERS

Due to opening of case backs or possible deterioration of seals, we recommend that watches are re-sealed by an authorised technician to ensure any stated water resistance is retained.

Whilst Fellows makes every attempt to identify and disclose any custom attributes where possible, the absence of any disclosure is not a guarantee of authenticity, Fellows accepts no liability if an item is later found to be with non-brand alterations. Neither is it always possible to authenticate every component, this includes individual external and movement parts, watch glasses, hands, straps and buckles, this is often due to items having been previously maintained outside of authorised workshops, Fellows are therefore unable to accept any liability if any component or part is later found to be with issue – this includes compatible yet non-original brand parts and/or numbering that may limit maintenance options through workshops in the future.

 **Item may have export restrictions for customers outside of the UK.**

Export of Watches, Accessories and Parts containing materials from Endangered Species:

Many of the articles offered in this sale have components, or are parts which may contain material(s) derived from endangered or protected animal materials e.g. alligator, crocodile skin and as such are prohibited by law to be exported by Fellows without a CITES permit. Fellows are therefore required to remove any restricted strap prior to delivery of the watch and buckle/clasp, and are unable to ship from their offices any other restricted part. It is the responsibility of the prospective buyer to understand and comply with any restrictions.

Please contact our department specialist for further information.

Fellows routinely provide a number of viewing days to enable any prospective bidder, the opportunity to view and inspect any item prior to sale. It is assumed that any buyer who has viewed an item is able to make an informed decision and was sufficiently satisfied to bid. Neither Fellows nor its employees, agents or Vendors may accept liability for the correctness of such opinions, and all conditions and warranties, express, implied or statutory are hereby excluded.

4. THE VENDOR

4.1 Fellows shall act as agent of the Vendor only. Any contract for the sale of a Lot will be formed between the Vendor and the Buyer.

4.2 The Vendor warrants and represents to Fellows and the Buyer that the Vendor is the sole and true owner of the Consigned Property or is properly authorised by the sole and true owner to consign it for sale and is able to transfer good and marketable title to the property free from any third party claims. The Vendor warrants and representatives that the Vendor has revealed all pertinent information that the Vendor possesses about the items, including in relation to any repairs or alterations that may have been carried out. The Vendor shall indemnify Fellows and the Buyer against any loss and expense caused by any breach of this clause 4.2.

4.3 The Vendor shall be entitled to place prior to the Auction a reserve on any Lot, being the minimum Hammer Price at which Lot may be sold. Reserves must be reasonable and Fellows may decline to offer goods which in Fellows’ opinion would be subject to an unreasonably high reserve (in which case goods carry the storage and insurance charges stipulated in the terms of consignment). Reserves will not be accepted on items with a bottom estimate less than £300. The Auctioneer also reserves the right not to accept items which they deem to be unsuitable for Auction. Any estimate given shall be an opinion and is not an undertaking of any kind.

4.4 A reserve once set cannot be changed except with the written prior consent of Fellows.

4.5 Where a reserve has been placed only Fellows may bid on behalf of the Vendor.

4.6 The Vendor authorises Fellows to deduct commission from any sold items at a rate of 15% (plus VAT). Loss or liability for damage will be charged at a rate of 1.5% (plus VAT) calculated on the hammer price. A Marketing fee of £10 (plus VAT) will be charged for each Lot, if unsold we will charge a nominal handling fee of £5 (plus VAT). All items below £35 are subject to a minimum fee of £5 (plus VAT) per Lot.

4.7 Fellows will pay the Hammer Price achieved for the Lot (less its commission and applicable fees in accordance with clauses 4.6, 9.2 and 9.3), to the Vendor on receipt of payment of the Total Amount Due in full by the Buyer.

4.8 The Vendor authorises Fellows in their discretion to negotiate a sale by private treaty in the case of a Lot unsold at Auction, in which case the same charges will

be payable as if the Lot had been sold at Auction.

4.9 Fellows do not themselves undertake the collection of any items but may, as the Vendor’s agent, instruct a contractor on behalf of the Vendor. Fellows accepts no liability for the actions of such contractor who contracts with the Vendor direct.

4.10 Fellows disclaims all liability for items delivered to their saleroom without sufficient sale instructions, and reserves the right to make a minimum warehousing charge of [£1.00] per item per day. Unsold items are subject to the same charges if the Vendor does not remove them within a reasonable time of notification. If not removed within three weeks Fellows reserves the right to sell the items and defray charges from any net proceeds of sale or at the Vendor’s expense to consign them to the local authority for disposal. Fellows disclaims any liability for default by the Buyer or for paying out the Vendor before receiving payment by the Buyer.

4.11 Subject to clause 4.9, Fellows holds all items on their premises and in their custody covered against the risks of fire, burglary and water damage on the scale of charges notified in the terms of consignment and payable by the Vendor up to the date of any sale and (in Fellows’ discretion) the Buyer thereafter until collection.

4.12 The right of Fellows to bid on behalf of the Vendor is expressly reserved. The Vendor acknowledges that Lots are sold subject to the stipulations of these Conditions in their entirety and on the Terms of Consignment as notified to consignors at the time of the entry of the Lot.

4.13 The Auctioneer reserves the right to dispose of any item that in their opinion is unsaleable. Items, including electrical goods and soft furnishings, which do not comply with current legislation will not be offered at Auction.

4.14 Any items unsold after an Auction will be offered in a subsequent Auction at a reduced reserve to be agreed within seven days. The Auctioneer may request the removal of an item if a reduced price cannot be agreed; items not removed within 14 days will be subject to a storage charge.

4.15 A charge of 10% (plus VAT) based on the middle estimate – plus any other charges incurred – may be levied for any Lot withdrawn by the Vendor from offer at an Auction. If the item has to be returned by post (or any other method) the Vendor will be responsible for this charge. These charges are to be paid before the item is returned.

4.16 By submitting the item to Fellows for offer at Auction, the Vendor agrees to the Terms of Consignment and authorises Fellows to deduct the specified charges.

5. PUBLICITY

5.1 Any catalogue and buyer guides are provided for information only and do not form part of these Conditions. The catalogue and the buyer guides may contain additional terms and conditions.

5.2 Fellows reserve the right to use any photographs, background information, and research for publicity purposes both before and after the sale.

6. THE AUCTION

6.1 Any Auction shall be conducted at the absolute discretion of the Auctioneer.

6.2 The Auctioneer shall conduct the Auction with reasonable skill and care. For example, what constitutes a bid shall be at the absolute discretion of the Auctioneer, acting with reasonable skill and care.

6.4 Where two or more bids at the same level are simultaneously received by the Auctioneer, the Auctioneer at his absolute discretion shall determine which bid to prefer. Subject to the foregoing, where two or more bids at the same level are simultaneously received by the Auctioneer, any bid by a Bidder personally present at an Auction shall take preference over any bid submitted by telephone or over the internet. Any bid made or attempted by telephone or over the internet shall be deemed to have been made only if received by the Auctioneer.

6.5 Fellows shall have the right, at its absolute discretion, to refuse admission to its premises or attendance at (or participation in) any Auction by any person.

7. BIDDERS

7.1 Bidders may be required to register their particulars. Bidders attending in person

may be required to satisfy Fellows’ security arrangements before entering any part of the premises to view or bid.

7.2 You accept full liability for all bids submitted via your My Fellows account. Once a bid has been made by a Bidder on our website, the bid can be lowered or increased up until 9am on the day of the auction. You must sign into your My Fellows account to do this and you will receive an email confirmation for any changes made.

Should a bid be placed in error on the website you must contact Fellows immediately. Failure to contact Fellows before the auction takes place will result in liability for the full payment of the item.

7.3 Bidders using the live bidding facility on www.fellows.co.uk are agreeing to the terms and conditions of sale for Fellows. Any successful bids using the live bidding facility will be subject to the usual Buyer’s Premium, plus VAT.

7.4 Bidders are deemed to act as principals unless there is a written prior acknowledgement by Fellows that a Bidder is acting as an agent for a named principal.

7.5 Bidders are strongly encouraged to attend the Auction in person. Bidders shall be responsible for any decision to bid for a particular Lot and shall be deemed to have carefully inspected and satisfied themselves as to its condition. Neither Fellows nor its employees or agents shall be responsible for any neglect or default in doing or failing to do so.

7.6 Bidders are given ample opportunities to view and inspect before any sale and prospective Buyers must satisfy themselves as to all such matters. Neither Fellows or its employees or agents nor the Vendor accept liability for the correctness of such opinions and all conditions and warranties, express, implied or statutory are hereby excluded.

8. THE BUYER

8.1 Immediately a Lot is sold, the Buyer shall:

(a) give to Fellows their name and address and, if requested proof of identity, and pay to Fellows the Total Amount Due.

8.2 [Fellows may, at its absolute discretion, agree credit terms with the Buyer before an Auction under which the Buyer may be entitled to take possession of Lots up to an agreed value in advance of payment by a stipulated future date of the Total Amount Due.]

8.3 Cheques shall not be acceptable by Fellows (unless Fellows in its absolute discretion permits payment by such method) nor are third party references or credit facilities with other Auction houses. If a cheque is tendered Fellows reserves the right to instruct its bank to check the Buyer’s status and account balance before exercising any discretion. Any credit arrangement must be settled at least 4 days before the relevant sale. Any permitted payment by credit card shall carry an extra charge to the Buyer of such percentage of the Total Amount Due as is displayed on the premises.

8.4 Any payments by a Buyer to Fellows may be applied by Fellows towards any sums owing from that Buyer to Fellows on any account whatever without regard to any directions of the Buyer or his agent, whether express or implied.
